Heaven and Hell: A Survey of the Biblical Doctrines of Personal Eschatology – Kevin Zuber

Where will you be and what will you be doing for almost the entirety of your existence? We don't think enough about heaven. And we don't think enough about hell. Kevin Zuber's book on personal eschatology is an easy-to-read solution to this problem. You will want to read this very good book with your Bible open, so that you can see for yourself what Scripture says about these most important topics. You may very well find this to be a book you give away to others.
